Playing the harmonica is fun!

With this book and the accompanying audio files, we would like to show you that it's not that difficult to play the harmonica. The notes and the audio files are tuned to a diatonic C major harmonica with 10 blowholes. This version of harmonica was developed around 1875 by Mr. Richter and was accordingly called the Richter system. In America it has become popular and the instrument was given the name "Harp".

Diatonic means that the harp is tuned to a specific key. There are a total of 12 different harmonicas in diatonic tunings..

The audio files contain 12 well-known songs in two versions. On the first version you hear the melody played with a harmonica. The second version is karaoke version where the harmonica is missing. You can play along with it by using the notes in this book, or play along with it by ear.

Have fun and remember: practice makes perfect!

2 How does a harmonica work?

The harmonica has holes on the part called comb, and in which you make a flow of air by blowing or drawing. This causes reeds to vibrate inside the harmonica.

There are numbers on every harmonica that you can use to help you to find the right tone.

Holes: =>

↑	↑	↑	↑	↑	↑	↑	↑	↑	↑	
C	E	G	C	E	G	C	E	G	C	⇐ Blast tone
(1)	(2)	(3)	(4)	(5)	(6)	(7)	(8)	(9)	(10)	
D	G	H	D	F	A	H	D	F	A	⇐ Drawing tone
↓	↓	↓	↓	↓	↓	↓	↓	↓	↓	

The tones of the harmonica in the sheet music:

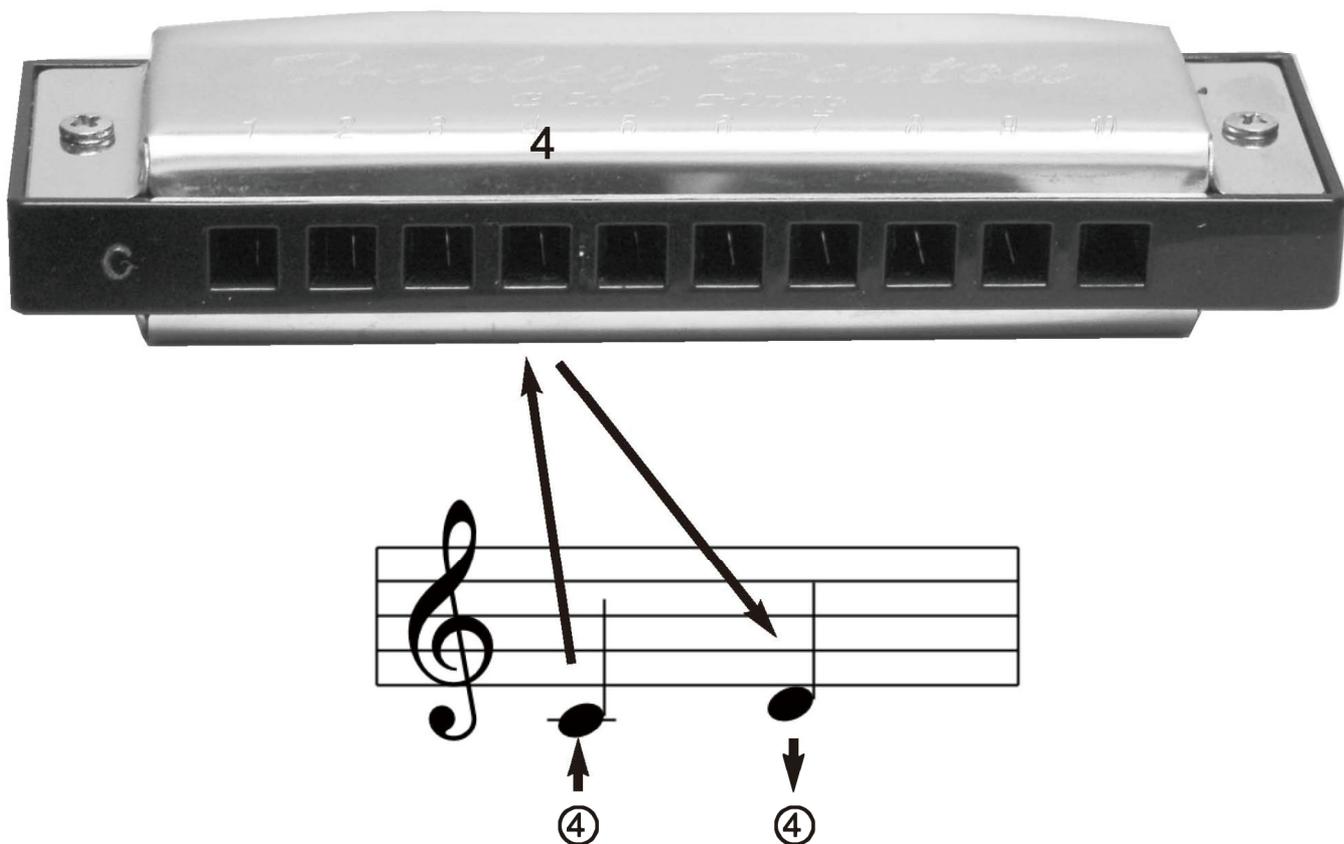

The notes on the harmonica

3

The tones are made by "Blowing in" (blow tones) and "Pulling out" (drawing tones) of air.

In our music notes, the blowing tones and the drawing tones are depicted by arrow symbols. The up arrow means "Blow in", the downward arrow "pull air out".

As an example, let's look at hole "4":

When you blow the air into the harmonica hole "4", it sounds "C". When the air is pulled out, you make a "D" sound.

4

The sound formation

The first time you blow into a harmonica, you will hear several notes sound together. In order to make a single note, you must only blow air into a single blowhole on the harp precisely. In order to achieve this, you need to purse your lips into a "kissing mouth," which narrows the airflow.

After a little practice, you can make a single tone. You can listen to the "C" tone for reference on the audio file. Try to make this tone by yourself. by playing the harmonica on hole "4" by "blowing it".

Be careful not to blow too hard at first. A steady airflow creates a beautiful tone. Just try it out.

5

The posture of holding the harmonica

In the beginning it is easiest to hold the harmonica with both hands.

The low tones to the left, and the high tones to the right.

Another option is to hold the harp in your hand between your thumb and index finger.

Caring for the Harp

6

It takes a bit of your care so that you can enjoy your instrument for a long time. Here are some points you should consider:

- Tap out the water in the harmonica after use.
- If possible, do not play after eating. Food residue can stick to the sensitive reeds and the sound can no longer be played.
- Protect the harmonica from dust and dirt.

7

A brief lesson on notes

The note system primarily deals with note values. The following table shows the most important note values and rest symbols using two measures.

The following examples show note values and rests in 4/4 time, each spanning two measures:

- Whole note:** A single note with a stem and a filled circle, occupying the first measure. A whole rest, represented by a horizontal line with a vertical tick, occupies the second measure.
- Half note:** Two notes, each with a stem and a filled circle, occupying the first measure. A half rest, represented by two horizontal lines with vertical ticks, occupies the second measure.
- Quarter note:** Four notes, each with a stem and a filled circle, occupying the first measure. A quarter rest, represented by a vertical line with a diagonal slash, occupies the second measure.
- Eighth note:** Eight notes, each with a stem and a filled circle, occupying the first measure. An eighth rest, represented by a vertical line with a diagonal slash and a flag, occupies the second measure.
- Sixteenth note:** Sixteen notes, each with a stem and a filled circle, occupying the first measure. A sixteenth rest, represented by a vertical line with a diagonal slash and two flags, occupies the second measure.

8

The time signatures

The following table shows the most important kinds of meter.

The following examples show the most important kinds of meter, each spanning two measures:

- 4/4:** A whole note in the first measure, followed by four quarter notes in the second measure.
- 2/4:** Two half notes in the first measure, followed by four quarter notes in the second measure.
- 3/4:** Three quarter notes in the first measure, followed by three quarter notes in the second measure.
- 6/8:** Six eighth notes in the first measure, followed by six eighth notes in the second measure.

A dot behind a note or rest increases its value by half.

1 2 3 4 1 2 3 4

Let's go!

As already mentioned, there are always two versions of a song in the audio files.

On the first version you can listen to how the harmonica is played in this song. The second version is Karaoke version, which is intended to be played along. At this Karaoke version the harmonica is missing, and you will be the harmonica player!

Play along like in a band!

The songs in the audio files are structured as follows: To start with, you first hear a short musical prelude without a harp, and then it starts.

The arrows in the music notes show you that for each note whether you need to blow air in or pull it out. The numbers above the notes indicate the blowhole on the harmonica.

We start very easily with "Our first song". You need only two notes for the whole song, namely "C" and "D".

"Our second song" is built on three tones. The additional tone is "E". Start with the easy songs!

If you can not play it well right away, please do worry. Remember - No one is a born master!

1 Avant-propos

Jouer de l'harmonica, c'est un plaisir !

À l'aide de cette méthode et de ses fichiers audio, nous voudrions te montrer que jouer de l'harmonica n'est pas difficile. Les partitions et les morceaux présents sur les fichiers audio correspondent à un harmonica diatonique à 10 trous accordé en Do Majeur. Cette configuration de l'harmonica fut développée par Monsieur Richter en 1830, qui donna son nom au «système Richter» employé ici.

Contrairement au procédé chromatique, l'harmonica diatonique correspond à une tonalité prédéfinie. Il existe donc en tout 12 types d'harmonicas diatoniques.

Le fichier audio contient 12 chansons célèbres dans deux versions différentes. La première version présente la mélodie jouée à l'harmonica et sur la seconde version, la version karaoké, la mélodie manque. On peut ainsi la jouer soi-même à l'aide des notes ou à l'oreille.

À toi de jouer et n'oublie pas: C'est en jouant régulièrement que tu t'amélioreras !

2 Comment fonctionne un harmonica ?

L'harmonica est équipé de trous dans lesquels on souffle ou on aspire. L'air circulant ainsi dans l'harmonica fait vibrer des lamelles qui produisent ainsi un son.

Sur chaque harmonica se trouvent des chiffres à l'aide desquels on peut trouver la bonne note.

Notes soufflées	↑	↑	↑	↑	↑	↑	↑	↑	↑	↑	Notes soufflées
	Do	Mi	Sol	Do	Mi	Sol	Do	Mi	Sol	Do	
Canaux	1	2	3	4	5	6	7	8	9	10	Canaux
Notes aspirées	↓	↓	↓	↓	↓	↓	↓	↓	↓	↓	Notes aspirées
	Ré	Sol	Si	Ré	Fa	La	Si	Ré	Fa	La	

Les notes de l'harmonica sur la portée

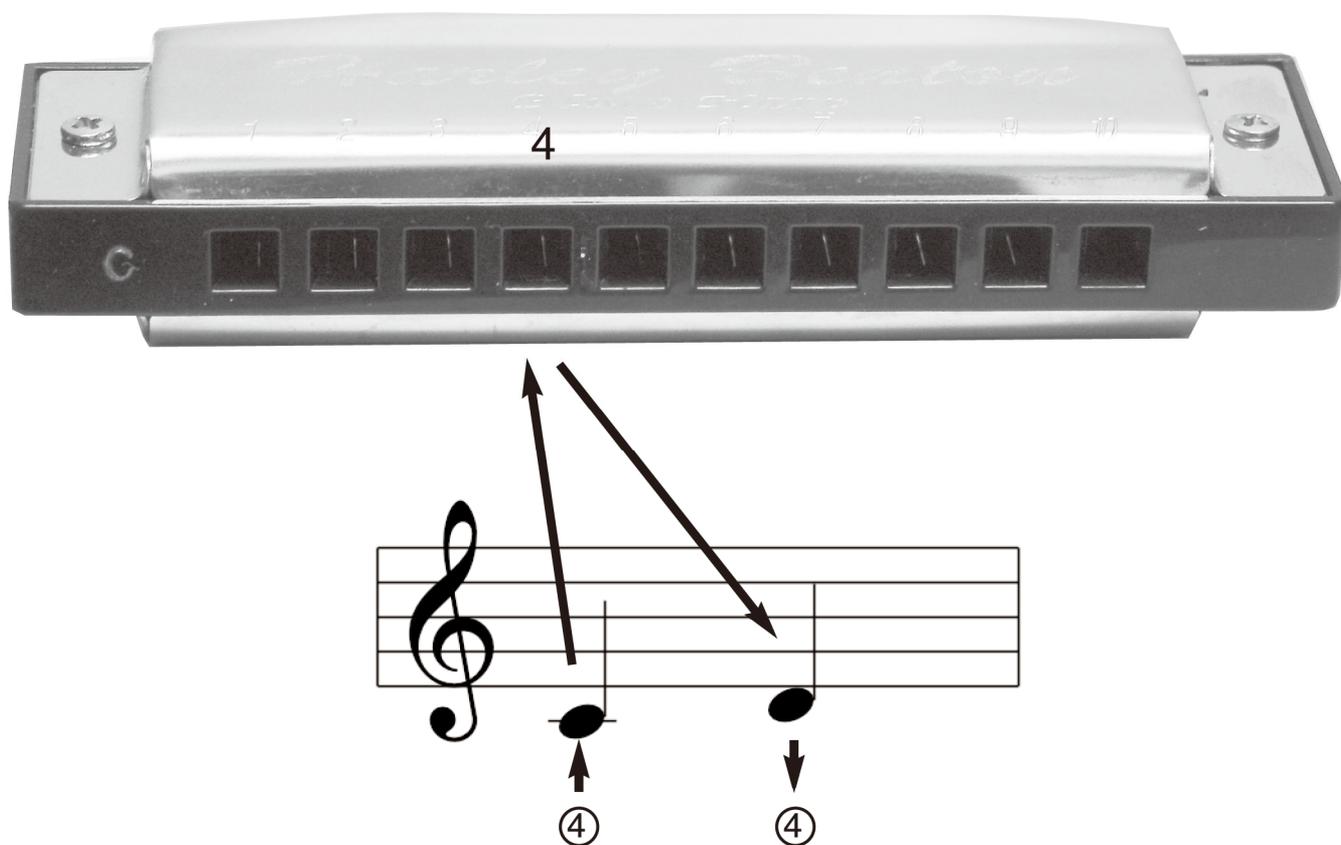

3 Les notes sur l'harmonica

Les notes sont produites soit en soufflant (notes soufflées), soit en aspirant (notes aspirées).

Dans nos partitions, les notes soufflées et les notes aspirées seront indiquées par des flèches. Une flèche vers le haut indique une note soufflée, une flèche vers le bas indique une note aspirée.

Prenons pour exemple le canal «4»:

En soufflant dans le canal «4» de l'harmonica, on produit la note Do. En aspirant on produit la note Ré.

4 Pour bien former le son

Lorsque tu souffleras pour la première fois dans l'harmonica, tu remarqueras que plusieurs notes sonnent en même temps. Pour ne jouer qu'une seule note à la fois, il faut souffler de manière précise dans un seul des canaux de l'harmonica. Pour ce faire, on doit serrer les lèvres comme si l'on voulait siffler. Avec un peu de pratique, on arrive assez vite à ne jouer qu'un seul son à la fois. Sur le fichiers audio, tu pourras entendre un Do, essaye de reproduire cette note en jouant une note soufflée dans le canal 4 de l'harmonica.

Au début, essaye de ne pas souffler trop fort. Une belle note sera produite par un filet d'air régulier. Il suffit de s'entraîner un peu.

5 Pour bien tenir l'instrument

1 Au début, le plus simple est de tenir l'harmonica avec les deux mains. Les notes graves à gauche, les notes aiguës à droite.

2 L'autre possibilité, est de tenir l'harmonica entre le pouce et l'index.

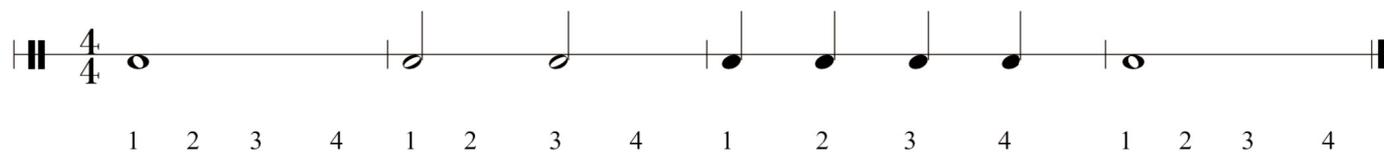

6 L'entretien de l'harmonica

Pour que l'harmonica reste en bon état, il a besoin d'un peu d'entretien. Pour ce faire, voici quelques petits conseils à suivre:

- ▶ Après chaque utilisation, faire sortir l'humidité en tapant légèrement l'harmonica sur une surface appropriée.-
- ▶ Si possible, ne pas jouer directement après le repas. De petits éléments pourraient obstruer le passage de l'air et rester bloqués dans l'instrument, si bien que certaines notes pourraient ne plus sonner.
- ▶ Protéger l'instrument de la poussière.

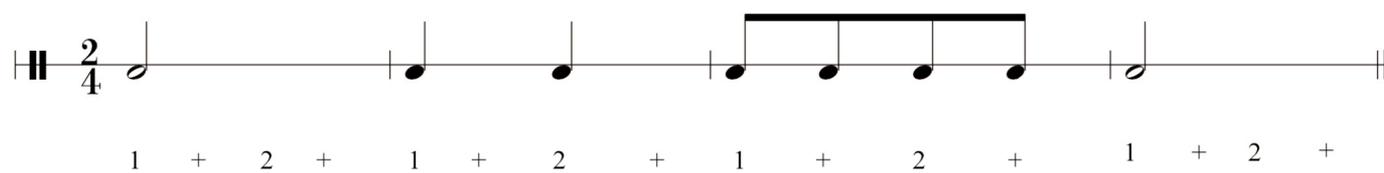

8 Les types de mesure

Le tableau suivant présente les principaux types de mesures.

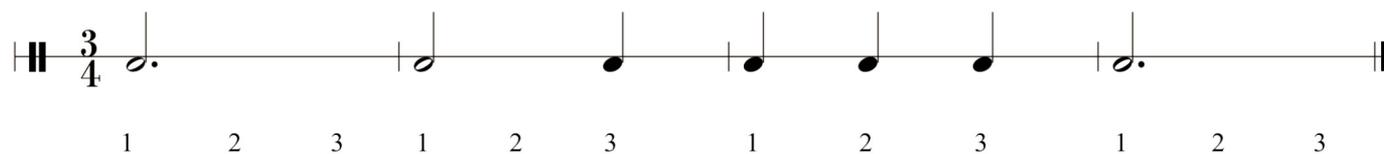

Musical notation for 4/4 time signature. The staff shows a sequence of notes: a whole note, two half notes, four quarter notes, and another whole note. Below the staff, the notes are numbered 1 through 4 for each measure.

1 2 3 4 1 2 3 4 1 2 3 4 1 2 3 4

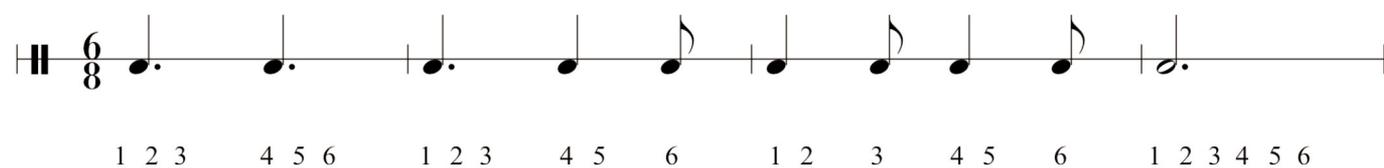

Musical notation for 2/4 time signature. The staff shows a sequence of notes: a half note, two quarter notes, a beamed eighth note pair, and another half note. Below the staff, the notes are numbered 1 and 2 for each measure, with a plus sign between notes in the same measure.

1 + 2 + 1 + 2 + 1 + 2 + 1 + 2 +

Musical notation for 3/4 time signature. The staff shows a sequence of notes: a dotted half note, two half notes, and three quarter notes. Below the staff, the notes are numbered 1 through 3 for each measure.

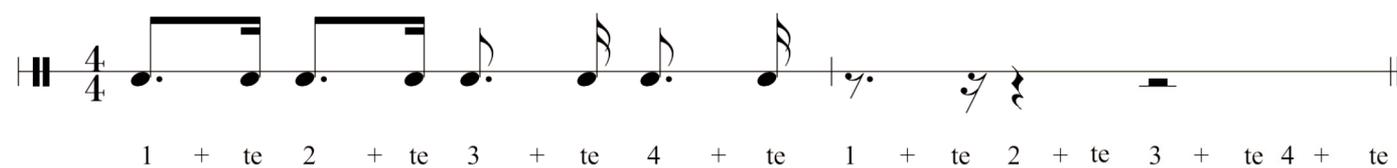

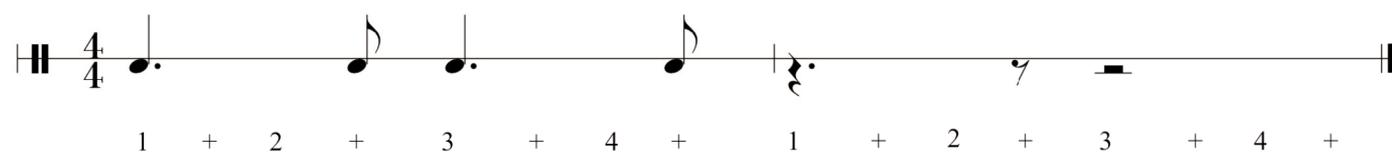

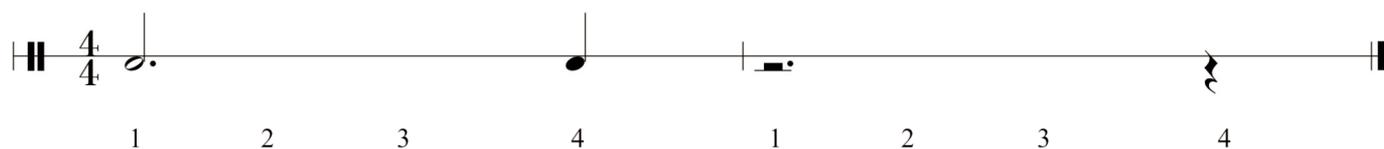

1 2 3 1 2 3 1 2 3 1 2 3

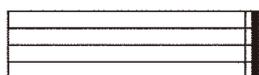

Musical notation for 6/8 time signature. The staff shows a sequence of notes: two dotted quarter notes, two eighth notes, a quarter note, and another eighth note. Below the staff, the notes are numbered 1 through 6 for each measure.

1 2 3 4 5 6 1 2 3 4 5 6 1 2 3 4 5 6 1 2 3 4 5 6

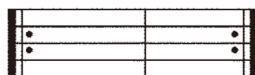

Un point derrière une note ou une pause allonge sa valeur de moitié.

10 A toi de jouer !

Comme nous l'avons déjà dit au début, sur les fichiers audio se trouvent deux versions différentes de chaque chanson.

- Sur la première version, tu pourras entendre comment la mélodie doit être jouée à l'harmonica.
- Sur la seconde version, c'est à toi de jouer. Sur cette version, la mélodie manque et tu es le soliste.

Jouer comme dans un vrai groupe!

Les chansons sur les fichiers audio sont construites de la manière suivante. Tout d'abord, tu entendras une petite introduction sans harmonica, ensuite c'est parti.

Les flèches sur la portée t'indiquent si tu dois jouer une note soufflée ou une note aspirée. Les chiffres au-dessus de la

Nous démarrons doucement avec «notre première chanson». Pour ce titre, tu n'as besoin que des notes Do et Ré.

«Notre deuxième chanson» est construite sur trois notes. La note supplémentaire est Mi.

Commence avec les chansons faciles!

Si cela ne devait pas fonctionner du premier coup, pense alors que même les génies doivent s'exercer!

The musical score is written in 4/4 time and consists of five staves. The first staff begins with a treble clef, a 4/4 time signature, and a measure containing a whole rest. Above this measure is the number '4'. A repeat sign follows, leading to five eighth notes: G4, A4, B4, A4, G4. Each note has an upward-pointing arrow and a circled '4' below it. The second staff contains six eighth notes: G4, F4, E4, D4, C4, B3. Each note has a downward-pointing arrow and a circled '4' below it. The third staff contains six eighth notes: B3, A3, G3, F3, E3, D3. Each note has an upward-pointing arrow and a circled '4' below it. The fourth staff contains six eighth notes: C4, D4, E4, F4, G4, A4. Each note has a downward-pointing arrow and a circled '4' below it. The fifth staff begins with a treble clef, a whole note G4, and a slur over a whole note A4. An upward-pointing arrow and a circled '4' are below the G4. Above the staff, a box labeled '1.2.3.' spans the first three measures, and a box labeled '4' spans the last measure. The piece ends with a double bar line and repeat dots.

The musical score is written in 4/4 time and consists of five staves. The first staff begins with a 4-measure rest, followed by six notes with fingerings 4, 5, 5, 4, 4, 4 and bowing directions up, up, up, up, down, down. The second staff has seven notes with fingerings 4, 4, 5, 5, 4, 4, 4 and bowing directions up, up, up, up, up, down, down. The third staff has ten notes with fingerings 4, 5, 5, 4, 4, 5, 5, 4, 4, 5 and bowing directions up, up, up, down, up, up, up, up, down, up. The fourth staff has five notes with fingerings 4, 4, 5, 5, 4 and bowing directions down, up, up, up, up. The fifth staff has three notes with fingerings 4, 4, 4 and bowing directions down, down, up, followed by a 4-measure rest and a repeat sign.

The musical score consists of four staves in 4/4 time. The first staff begins with a 4-measure rest, followed by six quarter notes with fingerings 4, 4, 5, 5, 6, and 6, and bowing directions up, down, up, down, up, up. The second staff has eight quarter notes with fingerings 6, 6, 6, 6, 6, 6, 6, 6 and bowing directions down, down, down, down, up, down, down, down. The third staff has a half note with fingering 6 and bowing up, followed by four quarter notes with fingering 5 and bowing down, and two quarter notes with fingering 5 and bowing up. The fourth staff has five quarter notes with fingering 4 and bowing down, followed by a half note with fingering 4 and bowing up, and ends with a 4-measure rest. The word 'FINE' is centered between the third and fourth staves.

4

The musical score consists of six staves of music in 4/4 time. The first staff begins with a treble clef, a 4/4 time signature, and a key signature of one flat (Bb). A first ending bracket labeled '2' spans the first two measures. The notes and fingerings for each staff are as follows:

- Staff 1:** Notes: Bb4, A4, G4, F4, E4, D4, C4. Fingerings: ④, ⑤, ⑥, ⑦, ⑥, ⑦, ⑥, ⑥.
- Staff 2:** Notes: Bb4, A4, G4, F4, E4, D4, C4, Bb4, A4, G4, F4. Fingerings: ⑤, ⑥, ⑤, ④, ④, ④, ⑥, ⑥, ⑤, ⑤.
- Staff 3:** Notes: Bb4, A4, G4, F4, E4, D4, C4, Bb4, A4, G4, F4. Fingerings: ⑤, ⑥, ⑤, ④, ⑥, ⑥, ⑤, ⑤.
- Staff 4:** Notes: Bb4, A4, G4, F4, E4, D4, C4, Bb4, A4, G4, F4. Fingerings: ⑤, ⑥, ⑤, ④, ④, ⑤, ⑥, ⑦.
- Staff 5:** Notes: Bb4, A4, G4, F4, E4, D4, C4, Bb4, A4, G4, F4. Fingerings: ⑥, ⑦, ⑥, ⑥, ⑤, ⑥, ⑤, ④.
- Staff 6:** Notes: Bb4, A4, G4, F4, E4, D4, C4. Fingerings: ④, ④, ④, ④. It includes first and second endings.

Detailed description: This page contains a musical score for a piece titled "The mill goes click-clack". The score is written in treble clef with a 6/8 time signature. It consists of six staves of music. The first staff begins with a treble clef, a 6/8 time signature, and a key signature of one flat (B-flat). A fermata is placed over the first two notes, with the number "3" above it. The first staff has fingerings 3, 3, 4, 4, 4, 4, 5 and arrows pointing up and down. The second staff has fingerings 5, 4, 4, 4, 6, 5, 3, 3, 4, 4, 4, 4, 5 and arrows pointing up and down. The third staff has fingerings 5, 4, 4, 4, 6, 5, 5, 5, 6, 6, 6, 6, 6, 6 and arrows pointing up and down. The fourth staff has fingerings 6, 5, 5, 5, 5, 5, 5, 5, 6, 5, 5, 5, 4, 4, 4, 6 and arrows pointing up and down. The fifth staff has fingerings 5, 5, 4, 4, 4 and arrows pointing up and down. The sixth staff is divided into two parts: the first part is marked "1.2." and has fingerings 3, 4 and arrows pointing up; the second part is marked "3." and has a fermata over two notes. The page number "25" is at the bottom.

4

The musical score consists of six staves of music in 4/4 time. Each staff begins with a treble clef and a 4/4 time signature. The first staff has a measure with a whole rest, followed by a repeat sign and a sequence of notes with fingerings and directions. The subsequent staves follow a similar pattern of notes, fingerings, and directions. The fingerings are indicated by circled numbers (3, 4, 5, 6) and directions by arrows pointing up or down.

Staff 1: (4) (4) (4) (4) (3) (3) (3) (3) (4) (3)

Staff 2: (4) (4) (4) (4) (3) (3) (3) (3) (4) (5) (5) (6) (5) (5)

Staff 3: (4) (4) (4) (5) (5) (5) (4) (4) (4) (4) (3) (3) (3) (3) (4)

Staff 5: (3) (3) (3) (3) (4) (4) (4) (4) (3) (3) (3) (3) (4) (3)

Staff 6: (4) (4) (4) (4) (3) (3) (3) (3) (4) (5) (5) (6) (5) (5)

The image shows three staves of musical notation in treble clef. Each staff contains a sequence of notes with corresponding fingerings and bowing directions indicated by arrows and circled numbers.

Staff 1:

- Notes: G4, A4, B4, C5, B4, A4, G4, F4, E4, D4, C4.
- Fingerings: ④, ④, ④, ⑤, ⑤, ⑤, ④, ④, ④, ④, ③, ③, ③, ③, ④.
- Bowings: Down for G4-A4-B4-C5; Up for B4-A4-G4-F4-E4-D4; Down for C4.

Staff 2:

- Notes: G4, A4, B4, C5, B4, A4, G4, F4, E4, D4, C4, B3, A3, G3, F3, E3, D3.
- Fingerings: ⑤, ⑤, ⑥, ⑤, ⑤, ④, ④, ④, ⑤, ⑤, ⑤, ④, ④, ④, ④.
- Bowings: Up for G4-A4-B4; Down for C5-B4-A4-G4-F4-E4-D4; Down for C4-B3-A3-G3-F3-E3-D3.

Staff 3:

- Notes: G4, A4, B4, C5, B4, A4, G4, F4, E4, D4, C4.
- Fingerings: ③, ③, ③, ③, ④.
- Bowings: Down for G4-A4-B4-C5; Up for B4-A4-G4-F4-E4-D4; Down for C4.

A measure rest with the number "4" is positioned above the staff between the second and third staves.

The musical score is written in treble clef with a 3/4 time signature. It consists of five staves of music. The first staff begins with a measure containing a triplet of eighth notes, indicated by a '3' above the staff. The notes are G4, A4, and B4. This is followed by a repeat sign and a sequence of notes: G4 (up), A4 (up), B4 (up), A4 (up), G4 (up), F4 (down), E4 (down). The second staff continues with G4 (up), A4 (up), B4 (up), A4 (up), G4 (up), F4 (down), E4 (up), D4 (down), C4 (up), B3 (up). The third staff continues with G4 (up), A4 (up), B4 (up), A4 (down), G4 (down), F4 (up), E4 (down), D4 (up), C4 (down), B3 (down). The fourth staff shows a first ending bracket labeled '1.2.' covering the first two measures, and a second ending bracket labeled '2' covering the next two measures. The notes are G4 (up), A4 (up), B4 (up), A4 (down), G4 (down), F4 (up), E4 (down), D4 (up), C4 (down), B3 (down). The fifth staff shows a third ending bracket labeled '3.' covering the first two measures, and a fourth ending bracket labeled '4' covering the next two measures. The notes are G4 (up), A4 (up), B4 (up), A4 (down), G4 (down), F4 (up), E4 (down), D4 (up), C4 (down), B3 (down).

The musical score for 'Little Hans' consists of five staves of music in 4/4 time. Each staff includes a treble clef, a key signature of one flat (B-flat), and a 4/4 time signature. The music is written in a simple, melodic style. Below each staff, there are fingerings and directions (up and down arrows) for each note. The first staff starts with a measure of rest, followed by a repeat sign. The second staff continues the melody. The third staff has a measure of rest at the beginning. The fourth staff continues the melody. The fifth staff ends with a measure of rest and a repeat sign. The fingerings and directions are as follows:

Staff	Measure	Fingering	Direction
1	1	6	Up

3

The musical score consists of six staves of music in 4/4 time. The first staff begins with a 3-measure rest, followed by notes with fingerings ④, ⑤, ⑥, ⑤, ⑥, ⑥, ⑥, ⑤, ⑥. The second staff has fingerings ⑥, ⑥, ⑤, ⑥, ⑥, ⑤, ⑤, ⑤, ④, ④, ④. The third staff has fingerings ⑤, ④, ④, ④, ⑤, ⑥, ⑤, ⑥, ⑥. The fourth staff has fingerings ⑥, ⑤, ⑥, ⑥, ⑥, ⑤, ⑥. The fifth staff has fingerings ⑥, ⑤, ⑤, ⑤, ④, ④, ④, ⑤, ④. The sixth staff has a 7-measure rest, followed by notes with fingerings ④, ④, ⑤, ④.

2

The musical score consists of five staves of music in 4/4 time. Each staff includes fingerings (circled numbers) and articulation marks (upward and downward arrows). The first staff begins with a double bar line and a repeat sign, followed by a fermata. The second and third staves contain continuous eighth-note patterns. The fourth staff features a mix of eighth and quarter notes. The fifth staff includes first and second endings, with a repeat sign and a fermata at the end.

Staff 1: 4/4 time signature. Measure 1: Rest. Measure 2: Rest. Measure 3: Quarter note G4 (up arrow, 6). Measure 4: Quarter note A4 (up arrow, 6). Measure 5: Quarter note B4 (down arrow, 6). Measure 6: Quarter note C5 (down arrow, 6). Measure 7: Quarter note B4 (up arrow, 6). Measure 8: Quarter note A4 (up arrow, 5). Measure 9: Quarter note G4 (up arrow, 5).

Staff 2: Measure 1: Quarter note G4 (up arrow, 6). Measure 2: Quarter note A4 (up arrow, 6). Measure 3: Quarter note B4 (down arrow, 6). Measure 4: Quarter note C5 (down arrow, 6). Measure 5: Quarter note B4 (up arrow, 6). Measure 6: Quarter note A4 (up arrow, 5). Measure 7: Quarter note G4 (up arrow, 6). Measure 8: Quarter note F4 (up arrow, 6). Measure 9: Quarter note E4 (down arrow, 6). Measure 10: Quarter note D4 (down arrow, 6).

Staff 3: Measure 1: Quarter note G4 (up arrow, 6). Measure 2: Quarter note A4 (up arrow, 6). Measure 3: Quarter note B4 (up arrow, 5). Measure 4: Quarter note C5 (up arrow, 5). Measure 5: Quarter note B4 (up arrow, 6). Measure 6: Quarter note A4 (up arrow, 6). Measure 7: Quarter note G4 (down arrow, 6). Measure 8: Quarter note F4 (down arrow, 6). Measure 9: Quarter note E4 (up arrow, 6). Measure 10: Quarter note D4 (up arrow, 6). Measure 11: Quarter note C4 (up arrow, 5). Measure 12: Quarter note B3 (up arrow, 5).

Staff 4: Measure 1: Quarter note G4 (up arrow, 6). Measure 2: Quarter note A4 (up arrow, 6). Measure 3: Quarter note B4 (up arrow, 6). Measure 4: Quarter note C5 (up arrow, 5). Measure 5: Quarter note B4 (up arrow, 6). Measure 6: Quarter note A4 (up arrow, 6). Measure 7: Quarter note G4 (up arrow, 6). Measure 8: Quarter note F4 (up arrow, 5). Measure 9: Quarter note E4 (up arrow, 6). Measure 10: Quarter note D4 (up arrow, 6). Measure 11: Quarter note C4 (down arrow, 6). Measure 12: Quarter note B3 (down arrow, 6). Measure 13: Quarter note A3 (up arrow, 6). Measure 14: Quarter note G3 (up arrow, 6). Measure 15: Quarter note F3 (up arrow, 5).

Staff 5: First ending (1.): Measure 1: Quarter note G4 (up arrow, 7). Measure 2: Quarter note A4 (up arrow, 6). Measure 3: Quarter note B4 (down arrow, 5). Measure 4: Quarter note C5 (up arrow, 5). Measure 5: Quarter note B4 (down arrow, 4). Measure 6: Quarter note A4 (down arrow, 4). Measure 7: Quarter note G4 (up arrow, 4). Second ending (2.): Measure 8: Rest. Measure 9: Rest. Measure 10: Rest. Measure 11: Quarter note G4 (down arrow, 4). Measure 12: Quarter note F4 (down arrow, 4). Measure 13: Quarter note E4 (up arrow, 4).

The musical score is written in 4/4 time and consists of five staves. The first staff begins with a 4-measure rest, followed by a repeat sign and a melodic line. The second staff continues the melody. The third staff features a more complex melodic line with eighth notes. The fourth staff continues the melody. The fifth staff concludes the piece with a first ending (1.2.), a 4-measure rest, and a second ending (3.) leading to a final whole note.

Fingerings and bowing directions are indicated by arrows and circled numbers below the notes:

- Staff 1: 7 7 7 6 6 6 6 5 5 4 4
- Staff 2: 4 7 7 7 6 6 6 6 5 5 4 4
- Staff 3: 4 6 6 7 7 7 6 6 7 7 7 7 7 7 7
- Staff 4: 7 7 7 7 7 7 7 6 6 6 6
- Staff 5: 5 5 4 4 4 4
